For Golfers, By Golfers

Acer's Golf is a new Hole-In-One Insurance provider, one different than the competition. Only Acer's provides you with unique prize packages, such as a round of golf with PGA Tour winners like Ryan Palmer, or a chance to play with a Major Championship winner at the same course where he won! Our prizes even include group packages to Major Championships with friends & colleagues.

Acer's Golf also offers traditional Hole-In-One prizes like cash, cars, boats, vacations..... anything you can think of. We have teamed up with Golf & Corporate Solutions to now offer golf courses and tournaments in the Northwest Hole-In-One Insurance from a local, Northwest source. Located in Seattle, WA, Golf & Corporate Solutions and Acer's, together, can meet your event and tournament needs whether you are a PGA Professional or a Tournament Director.
