The M♥RELove Project

The MORELove Project was founded by longtime homeless advocate Kristine Moreland,

UGM Catalyst Chair, to provide transitional services that help lead the area's homeless to a safe and stable life. The Seattle-area organization partners with businesses, non-profits, and community organizations to provide care and services to those in need. In addition to hosting large events throughout the year, every week on Tuesdays MORELove volunteers walk the streets of Seattle's with Union Gospel Mission, bringing food, clothing, and love to the homeless community. For more information, visit www.themoreloveproject.org, or on Facebook, Twitter, and Instagram.

Our beneficiary and co-partner is Seattle's Union Gospel Mission. Seattle's Union Gospel Mission provides emergency care and long-term recovery services to hurting and homeless people in the greater Seattle area. We're dedicated to serving, rescuing and transforming those in greatest need through the grace of Jesus Christ.
