Thursday, July 12th, 2018
1:00 PM Shotgun Start

The Classic Golf Course
Spanaway, Washington

"The 2018 Golf Committee is honored to host the **1st Annual 10 and 90 Foundation Golf Tournament** on **July 12th, 2018** at the Classic Golf Course in Spanaway, WA! This will soon grow to be a staple event within the community so please come and join us for year 1.

Golf, music, food, beverages, games, live scoring, golf ball launching, giveaways and most of all the opportunity to support **Logan Seelye** and his foundation, you won't want to miss it! Your support going into 2018 will go a long ways. Whether your participation is as an individual, family, or business, we are so excited for the opportunity to partner with you on a successful 2018 tournament. We can't wait to see you there!"

"The **10 and 90 Foundation** is a tax exempt, non-profit organization with one goal in mind: spreading positivity and hope to those in need.

It was formed by Logan Seelye, a young man who had a life-changing football accident at the age of 16 when he broke his neck and suffered a spinal cord injury while making a tackle. He has since turned his story into a motivational and inspirational way to live life, and decided it was time to give back.

Logan created the foundation with a few goals in mind:

- He wants to give back to his community
- He will create an athletic scholarship for local high schools
- He will raise money to provide local high schools athletic teams with better gear/jerseys/equipment
- He will help them get to different camps to better themselves and learn from great leaders
- He will provide resources and donations to help those who have also suffered spinal cord injuries

We would be so honored if you joined us to help achieve our dreams! With your support, we would be able to impact and help countless people and provide a spark in the community."
