SPORT-TEK® COLORBLOCK COMPETITOR™ TEES

We took our popular Competitor Tee and added some attitude with colorblocking on the shoulders, sleeves and sides. Plus, we designed it with PosiCharge™ technology so the color stays put and logos endure. The result? An even more colorful, sweat-controlling, breathable tee that's easy on the budget.

- 3.8-ounce, 100% cationic polyester interlock
- Removable tag for comfort and relabeling
- Raglan, open hem sleeves

POSICHARGE

COLOR STAYS PUT

Our PosiCharge athletic wear retains its good looks thanks to the cationic dyes used in the manufacturing process. These water-soluble dyes break apart (or ionize) in the dyeing solution to give off a positively charged colored ion. These cationic ions dye the polyester fibers by linking with the acid groups on the fibers—locking in the color. The result? Better bleed resistance and improved color fastness.

Bottom line—your logo looks better.
